

DSS Swing-Mount IR 1374

Comfort from every angle

*Compatible with most TV remotes

The Swing Mount is a motorized TV mount, with swinging ability to 180 Degrees. This unit is equipped with IR - Multicode system - which means it can be operated with basically any TV remote. You can program up to 3 favorite angles, to which the mount can be adjusted easily. Elegant and durable design allows hanging even the biggest TVs. Thanks to the unique safety system you don't have to worry about your screen hitting anything, or knocking over any obstacle that might get in the way. Precise angle measurement allows the motor to place the TV right where you want it, many times in a row.
