

Ready when you are.

M Motorized Wallmount 160 kg White HD

Art No: 7 350 073 731 169

The all new M Motorized Wallmount 160 kg White incorporates design with rounded edges and overall features giving a softer, professional feel that fits well in corporate and classroom environments. The height of the often large size LCD/ LED can easily be adjusted by one person via a remote control. The motor-driven height adjustment allow you to move the LCD/LED screen up or down to

a suitable height for any presentation or digital signage situation. The wide reach up or down makes it suitable for both a sitting or standing audience, making this product a perfect multifunctional solution for any need. Supporting a wide range of VESA specifications (up to 1200x800 with optional accessory) it can hold near any large screen the market has to offer.
